Step 2: Interact with your Reading

Below are a few ways you can interact with your reading this summer. **You should complete at least 2 of these during the vacation and post them to KidBlog.** Log-in information is on the next page.

These may be completed in pairs or small groups!

You do not need signatures for this, just KidBlog posts!

- Post a list of 10 **new** books that you want to read next semester to KidBlog (*Hint: Use <http://goodreads.com> or <http://arbookfind.com>*)

- Record a podcast of you reviewing a book or article you read. Post this to KidBlog. (*Hint: Use <http://soundcloud.com> or <http://youtube.com>: log-in information is on the next page*)

- Record a video of you reenacting your favorite scene from a book. Post that video to KidBlog. (*Hint: Use <http://youtube.com>: log-in information is on the next page*)

- Write a book or article review of something you read and share it on KidBlog.

- Tweet about a book your reading. Use the hashtag [#uchonsummerreading](#) or [@uchongrade6](#)

- Write or tell a story of you own. This can be based off of something you read or completely original. Post it to KidBlog and share!

- Other:** Check with your teacher in person or over classting for other ideas that you might have. If your teacher approves, have fun with it!
